

The Institute of Chemistry

Tenure Track Academic Faculty positions 2025-26

The Institute of Chemistry at the Hebrew University of Jerusalem, Israel, seeks outstanding candidates for tenure-track faculty positions at all levels for the **2025-2026 academic year**. Candidates must have a Ph.D. degree, and significant post-doctoral experience is required.

Evaluation of candidates will be based primarily on originality, the potential for performing ground-breaking research, and high commitment for teaching. The candidate's sub-area of specialization will be also considered.

Candidates must demonstrate strong interest and track record in research, outstanding academic credentials, and a strong commitment to undergraduate teaching and graduate training. Successful candidates are expected to establish and lead an independent research team pursuing a state-of-the-art research program, and to contribute significantly to the undergraduate and graduate teaching programs of the Institute of Chemistry.

The Institute of Chemistry at the Hebrew University invites applications for tenure-track faculty positions with specialization in:

1. All fields of modern chemistry
2. Chemistry related big data analysis
3. Materials Engineering: specifically those holding Bachelor's degree in Materials Engineering with track record including related research.

Please note: we will hold two rounds of discussion.

The application deadline to be included in the 1st round of discussions is **September 1st 2024**.

The application deadline for the 2nd round of discussions is **October 30, 2024**.

Later applications may be considered depending on availability.

For any consultation or advice on suitability please contact the Head of the Search Committee, Prof. Meital Reches.

For any questions regarding your application process please contact the administration office,

Contacts:

Head of Search Committee: Professor Meital Reches, meital.reches@mail.huji.ac.il

Administrative director of the Institute of Chemistry: Mrs. Avishag Cohen Schiller, avishagco@savion.huji.ac.il

Assistant for academic Affairs, the Faculty of Science: Mrs. Ruth Lischinski, ruthli@savion.huji.ac.il

Application Submission

A. Please fill out the Online Forms:

- **Application Form**
- **List of Referees Form** - A list of five experts (name, name of the institution and e-mail address) who may be approached by the Faculty to evaluate the candidate's qualifications for the requested academic position. Please specify the level of your acquaintance with the suggested referees, and include at least two fellows with whom you have not collaborated.

B. The following documents should be uploaded via the [Documents Upload](#) page:

- **Curriculum Vitae:** Please enter your CV, arranged according to [HUJI guidelines - CV](#)
- **List of publications:** Please enter your list of publications, arranged according to [HUJI guidelines - LP](#)
- **Scientific biography** (2 - 4 pages), where both the previous candidate's work and his/her future plans will be included - last page of [HUJI guidelines - LP](#)
- **Research proposal**
- **Teaching interests and specific courses planned**
- **PDF files of 3-5 representative papers.**
- **Previous teaching experience**, including evaluation reports (if available)

C. **Recommendation letters** from your advisors (Ph.D. and post advisors), addressed to the Inst. of Chemistry Search Committee - sent according to the [guidelines described here](#)

D. Please follow the instructions shown on '[Submission Status](#)' page
